***New York Times Bestselling Author Laura Duksta
Making the world a brighter place through the conversation of love!***

Dear Friends, Parents and Educators,

I'm Laura Duksta, author of the *New York Times* bestselling children's book *I Love You More* and *You Are a Gift to the World*, which flips over to *The World is a Gift to You*. My books and school program share a message of love, acceptance and appreciation; encouraging and empowering our children to love and take good care of themselves, one another and the world.

A special CAP Promotion: I love presenting at schools where there's a student who has some form of Alopecia Areata (AA). It's a great opportunity for me to share about what it is, and the student becomes a bit of a *rock star* for the day! I also love the Children's Alopecia Project, which is why we've partnered to help bring my message into as many schools as possible with children with AA. To support their efforts, I'm offering a 10-20% donation back of my presentation fee for schools that bring me in and mention this CAP promotion.

In my program, "*Empowering *YOU* to Shine!*" I share my experience as an author, highlighting the editorial process, a few powerful life lessons, as well as tools to help your student's own innate magnificence and genius to SHINE! My program is educational, empowering and fun for all. It serves as an author visit, as well as complimenting your school's character enrichment programs.

Ideally, I present to the entire school, broken down into age groups. I typically visit elementary schools, though my message is as valuable for middle and high school grades, as well as educator appreciation days. I address the issue of bullying, sharing the experience of losing my hair at age 11, the process of overcoming that challenge and harnessing the power of *being yourself*. Though my books are picture books, I'm able to share my author and life experiences differently with five year olds, fifth graders and fifteen year olds.

My daily rate starts at \$800, though I'm able to work within schools needs and budgets when necessary. I'm also available for pre-school visits for \$300-\$500. I travel all over the country, this years stops include FL, TN, OH, NY, NJ, OR, ID, WA, OK, New England and MORE!

I look forward to hearing from you and appreciate you sharing this information!

Keep Shining!
